Foreword	11
Acknowledgements	12

Part I

The Challenge of Enhancing Research Capacity in Developing and Transition Countries

1 The Role of Research for Development Hans Hurni, Jon-Andri Lys and Daniel Maselli	15
2 Experience in Strengthening Research Capacity: A Summary of Contributions to the Workshop Hans Hurni and Daniel Maselli	23
3 Multi-stakeholder Views on Strengthening Research Capacity: Working Group Results and Individual Responses Compiled by Urs Wiesmann, Jon-Andri Lys, Kristina Imbach and Hans Hurni	32
4 A Round-table Discussion on Strengthening Research Capacity	42
5 The Challenges in Enhancing Research Capacity Hans Hurni, Urs Christ, Jon-Andri Lys, Daniel Maselli and Urs Wiesmann	50

Part II

Lessons Learnt from Research Experiences in Different Contexts

6 Science and Technology Made in the Developing World: A Result of Successful Networking José Fernando Martirena Hernández	59
7 "Home-based" Approaches to Globalisation Initiatives: The Need for Synchronous Development Processes in Somalia Mohamed S. Samantar	66
8 Indo-Swiss Collaboration in Biotechnology, ISCB Katharina Jenny and Barbara Baumann	71
9 Enhancing Research Capacity in Ukraine: IDRC's Experience in Environmental Management Development, EMDU Jean-H. Guilmette and Igor Iskra	77

6	10 Enhancing Environmental Research Capacity and its Impact on Developing Countries: Experiences from India Leena Srivastava	90
	11 CABI Bioscience's Experiences in Capacity Building: A Case Study in Kenya Matthew J.W. Cock	92
	12 The Philippine-Netherlands Biodiversity Research Programme for Development in Mindanao: Focus on Mt. Malindang and Environs Gil C. Saguiguit Jr. and Ed Maan	96
	13 Partnerships for Enhancing the Development of Research Capacity for Health in the South Thomas C. Nchinda	103
	14 Research Collaboration in the Field of Environmental Science and Technology between CEETIA in Hanoi (Vietnam) and EAWAG/SANDEC in Switzerland Tran Hieu Nhue, Nguyen Viet Anh, Udo Heinss and Roland Schertenleib	108
	15 Scientific Potential and Composition of the Academy of Sciences, Republic of Tajikistan Muzafar Isobaev and M. Hikmatov	113
	16 "He who pays the piper calls the tune." An Overview of Research Capacity Enhancement in Uganda Emmanuel Rugumire-Makuza	115
	17 Research at the National Polytechnic School of Engineering, ENSP, Cameroon: Current Strategies and Perspectives for the Future Anne-Marie Essono, Emile Tanawa and Thomas Bouetou Bouetou	123
	18 Sustainable Development of Arid Zones in Peru Based on Local Capacity Building for Use of Algarrobo (<i>Prosopis sp.</i>) forests: An Experience in Local Capacity Building Gastón Cruz, Nora Grados and Luis Albán	130
	19 Instruments and Methods for Participatory Development Planning: A Case Study in Senegal Malick Gaye and Roland Prélaz-Droux	137
	20 Enhancing Co-research Capacity among International and National Partners in the Sahel Philippe De Leener and Alessandro Meschinelli	144
	21 The Need to Enhance Environmental Research Capacity in Developing Countries: An Example from Zambia Peter Sinkamba and Alex R. Mutale	153

22	The African Academy of Sciences' Contributions to Strengthening Research Capacities in Africa G.B.A. Okelo	158
23	The Partnership for Agricultural Research between the University of Cocody and the Swiss Centre for Scientific Research in Côte d'Ivoire Ayémou Assa and Olivier Girardin	164

Part III

Experience Gained with the "Development and Environment" Module of the Swiss Priority Programme Environment – SPPE

24	Development and Environment: The SPPE's North-South Initiative for Research Partnerships Hans R. Thierstein	173
25	Urban Environmental Management: New Tools for Urban Players Jean-Claude Bolay and Guéladio Cissé	175
26	Natural Resource Management: Case Studies in Kenya and Madagascar Francis Gichuki and Peter Messerli	183
27	Project Group CONTICI: Innovations in Resource Management and Conflict Transformation 27.1 Objectives of the PG and Highlights of the Individual Projects Günther Bächler 27.2 Mind-sets as Barriers Smita Premchander	196 198
28	An Evaluation of Module 7 of the SPPE Daniel Maselli	209
29	A Research Partnership for Environment and Development: History and Future of the SPPE – Module 7 Bruno Messerli	212

Part IV

Strategies and Tools Used by Funding Agencies to Strengthen Research Capacity in Developing and Transition Countries

30	Is Small Beautiful? – Danida's 10 Years of Experience with ENhancing REsearch CAPacity, ENRECA Bente Ilsøe	223
31	DFID's Experience with Research and Capacity Building Charles Clift	231

32	Strategies, Tools and Experiences of the European Commission Robert-Jan Scheer	235
33	Surveys of the Research Sector in Partner Countries as a Basis for Norwegian Support for Higher Education and Research Kristin Sverdrup	237
34	Sida Research Cooperation Berit Olsson	246
35	Building Research Capacity in the Developing World: Issues and Prospects. The Experience of the International Foundation for Science, IFS Jacques Gaillard	254
36	Strengthening Health Research Capacity in Developing Countries – The Perspective of the World Health Organisation Tikki Pang	263
37	Scientific Research and Sustainable Development: UNESCO's Action on the Eve of the 21st Century Miguel Clüsener-Godt	265
38	ICSU and Enhancement of Capacity Building in Science through North-South Collaboration Larry R. Kohler	271
39	The DAAD and its Role in Development Cooperation Hanns Sylvester	273
40	Funding Collaborative Research in Africa, Asia and Latin America: The Volkswagen Foundation's Twenty Years of Experience Hans J. von Lengerke	276

Part V

Overview of Donors' Main Activities Related to Research for Development

Canada	IDRC	International Development Research Centre	284
Denmark	DANIDA	Danish Ministry of Foreign Affairs	286
Europe	EU	European Commission, Development Directorate-General	287
France	DSF/IRD	Département soutien et formation des communautés scientifiques des pays du Sud	288

Germany	DAAD DFG	German Academic Exchange Service Deutsche Forschungsgemeinschaft Volkswagen Foundation	289 290 291
International	CABI ICSU IFAD IFS UNESCO WHO	CAB International International Council for Science International Fund for Agricultural Development International Foundation for Science United Nations Educational, Scientific and Cultural Organisation World Health Organisation	292 294 295 296 297 298
Norway	NORAD	Norwegian Agency for Development Cooperation	299
Sweden	Sida/SAREC	The Swedish International Development Cooperation Agency, Sida, Department for Research Cooperation, SAREC	300
Switzerland	SDC SNSF SSA	Swiss Agency for Development and Cooperation Swiss National Science Foundation The Swiss Science Agency	301 303 304
The Netherlands	DGIS RAWOO	Dutch Ministry of Foreign Affairs Netherlands Development Assistance Research Council	305 306
United Kingdom	DFID	Department for International Development	307
